Subject: ESIC's Standard Operating Procedure for Prescription Writing

Madam/Sir,

The Employee State Insurance Corporation (ESIC) lays sustained emphasis on a systemic approach to ensure safe and effective medication to improve healthcare quality and patient safety.

The Standard Operating Procedure (SOP) for Prescription Writing has been formulated (copy enclosed) to enhance healthcare quality and patient safety while achieving therapeutic goals within the Employee State Insurance Corporation (ESIC). This SOP serves as a comprehensive guide for ESIC doctors using the Dhanwantri module, ensuring standardized, clear, and patient-specific prescriptions.

Prescriptions are to be written in Dhanwantri module with mandatory mention of all the necessary information pertaining to patient details, diagnosis, treatment and follow up advice.

This issues with the approval of the Competent Authority.

Encl: as above.

Yours Sincerely

(Dr. Suparna Popli)
DMC (Medical Services)
